Abby,

The Salisbury Housing Trust grants an extension through July 15th of our Application for a Special Permit to build two affordable homes on Undermountain Rd, Tax Map 56, Lots 5 and 6. This extension will allow PCZ to continue to review our project.

We will be meeting with Matt Kiefer at the site this Monday (hopefully) to make sure that our house and driveway locations do not harm the historic and still majestic white oak trees in these lots.

And we are approaching the Selectmen with the option that the Housing Trust be granted the whole lot

all of which takes time

all our best

John
