Hi Abby:

Our review fee for the Salisbury Winter Sports Association is \$2,250.00. Upon a cursory review of the Site Plans, we highly recommend that the Town of Salisbury require that the Applicant hire a Hydro-Geologist to review the plans, conduct monitoring, etc. Considering the amount of disturbance required within the inland wetlands, it will be important to ensure that the Applicant will be able to achieve their goals with regard to the volume and flow of water, and the recovery time for the pond. Also, it is important to check that there will be no adverse affects on the existing well tile and the Moore Brook.

With this said, the Town will have to do its' due diligence by hiring a Hydro-Geologist to review the report once received from the Applicant's consultant.

For the Town, we recommend Rob Good, Jr. See contact information below:

Rob F. Good, Jr., CPG, LEP

SENIOR TECHNICAL LEADER – HYDROGEOLOGY

Hi Tom,

Can you please provide an estimate for this review? Again, link below.
