Good Morning,

This will be explained for the benefit of the public in the opening remarks of the public engagement session on Monday.

Also, I understand that the Chairman was Bcc'd on this. Please direct correspondences to the Commission through this inbox landuse@salisburyct.us. This ensures that the entire Commission is privy to the same information.

Subject: POCD Comments

Good afternoon,
The Lakeville Journal says that the P&Z is soliciting comments about the POCD. I have a couple of questions.

Is there a proper form for us to express our thoughts about the current POCD?

Is there a vote on how or if to change it?

How are comments or concerns factored into decisions about the final form of the POCD?

Can P&Z choose to simply ignore any and all comments if it chooses? If so, is there any recourse?

Thanks!
