Subject: Re: Please distribute this memo to the Pathways Committee

Doctor Kelmens,

The Pathways Committee "Strategic Plan" was given to Abby in a map form and was also given to the Consultants, as we on the Salisbury Pathways Committee definitely want to work together and in harmony with Planning and Zoning for a safe Pedestrian access to all parts of our town. This is a screen shot of some of the materials given Abby.

ChrisW

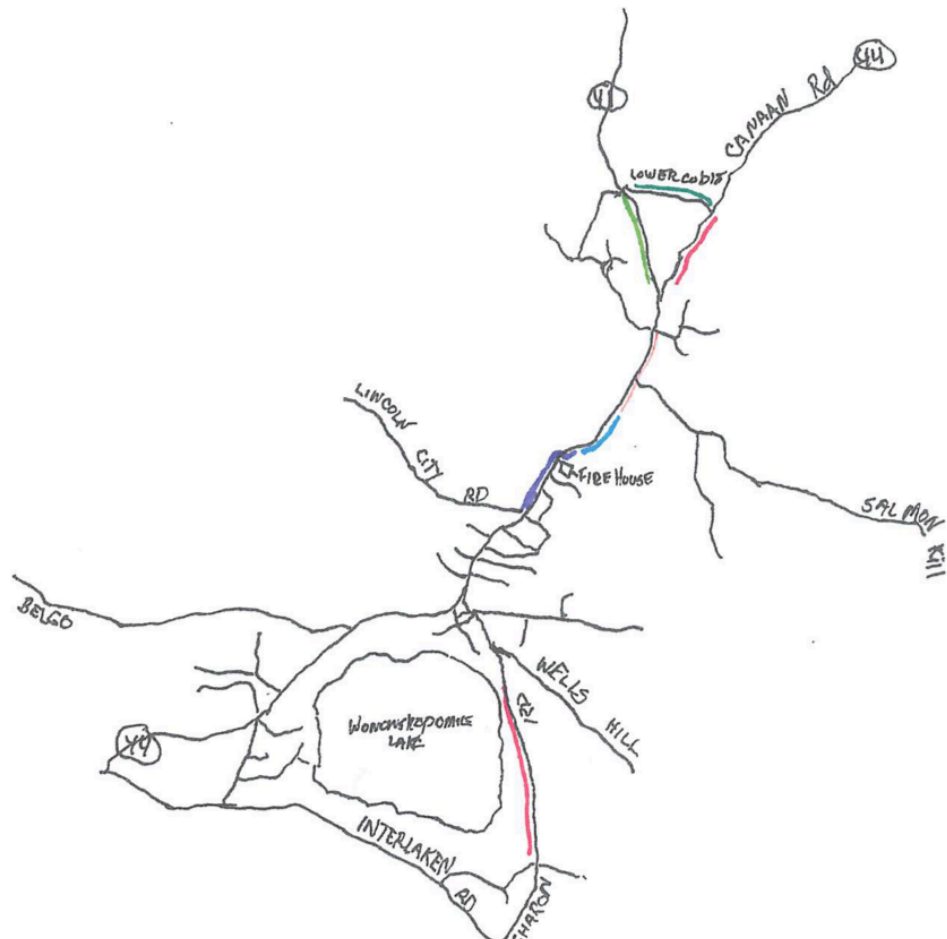

Meeting adjourned at 5:48 p.m.

Minutes respectfully submitted by Natalia V. Smirnova, Secretary, on March 19, 2023.

SALISBURY PATHWAYS COMMITTEE

Hi Chris:

Your comment letter specifically references a **strategic plan**. I am well aware of the TRIP grant meeting. We approved it despite it not meeting all the requirement of the 8-24 review. My goal is to incorporate any **strategic plan document** that your committee may have so it becomes consistent with the POCD and we don't run into the issues we had with the TRIP grant proposal. I suggest that you consult with Abby about this.

Michael

Dear Planning and Zoning Commission/ Land Use Office

The Pathways Committee attended a 824 hearing on March 20, 2023 Planning and Zoning meeting about a preliminary approval for a TRIP grant application. Before that meeting Abby Conroy was given information and a map of our planed projects, these were even discussed at the Planning and Zoning 824 meeting. Also at the meeting hosted by Planning and Zoning at the Town Grove informational meeting these project were brought up to the Consultants. Our Committee Secretary even e-mailed the consultants this information.

The Salisbury Pathways Committee minutes for March 13, 2023 shows all documents that were given to the Land Use Office and hopefully if was forwarded to Planning and Zoning Commission for their review.

Thank you for your attention to this subject.

Chris Williams

Chairman Salisbury Pathways Committee

From: Michael Klemens, Chair Salisbury Planning and Zoning Commission

Date: September 27th 2024

In RE: Your letter of September 25, 2024 in concerning the Draft 2024 POCD

Dear Chair Williams and Members of the Salisbury Pathways Committee

Thank you for your comments which I reviewed with our Land Use Director. We were able to successfully address and integrate some of your concerns, but we would ask your assistance in providing us with a copy of the 2014 Pathways Strategic Plan. We searched on-line Town documents and reviewed your minutes of 2014 and 2015 and even beyond. While there is a lot of discussion of various proposed projects and ideas in those minutes, we couldn't find a specific consolidated strategic plan that we can refer to and cite in the POCD.

Thank you for any assistance you could provide.
