

## WPCA – Minutes – 9.17.2024

The Water Pollution Control Authority Regular Meeting minutes of September 17, 2024.

**Present:** Donald Mayland, Chairman; John Whalen; Jim Rutledge; Robin Leech; Emily Egan; Charles Humes, Superintendent.

1. The meeting was called to order at 9:00am.
2. R. Leech made a motion to approve the agenda. J. Rutledge seconded, and the agenda was approved unanimously.
3. R. Leech made a motion to approve the minutes of the July 16, 2024 Special Meeting. J. Rutledge seconded, and the minutes were approved unanimously.
4. C. Humes, Report from the Superintendent
  - The UV system display panel needs to be replaced; the company came out for a service call and will contact us with cost for replacement; UV not used in fall/winter; replacement will be done before the spring.
  - Currently running a zinc study & testing – First round of sampling: Salisbury has a little bit more concentration of zinc than Lakeville; Interlaken pump station higher concentration when testing
  - Continuing to work on the National Pollutant Discharge Elimination System (NPDES) permit with Tighe & Bond and the Land Use office
  - Replaced pole on #2 clarifier scraper
  - Plans to put a wind hut around fuel tank at the Interlaken pump station
  - C. Humes would like to contact Hotchkiss to discuss moving the new gate they installed near the pump station on Lake Road
5. Chairman Report
  - a. Chris Ohmen, has left the WWTP assistant position; the Town posted the position and plans on conducting interviews this week.
6. Adjourn: 9:29am
