### Other Business

4. Regular meetings scheduled for second Thursday of each month at 6pm. Confirm with Georgia Petry. There will be the same Zoom link for all meetings.
5. NRI – Curtis would like this Commission to update the NRI annually. Each Commission member would take one or two chapters to update throughout the year, using goals established by the Commission and with outside help funded by the town.

Perhaps more of our regular meetings will be in the field to review our findings on the NRI

As we engage with the NRI, we will be in a better position to make recommendations when policy issues come up.

2009 NRI is a good model to use, but updates of been made in the 2019 NRI.

Funding – get help with mapping? Speak to Curtis

Get the NRI out to the public.
