We are writing in regard to the work proposed by Curtis and Susan Rand at the property 358 Undermountain Road in Salisbury.

We own property adjacent to the site (at 370 and 372 Undermountain Road) and fully support the proposal to add a dormer-type structure to the current house structure.

We know Curtis and Susan well and endorse their plans to restore the property to be more in keeping with its original condition, including this current proposal for the addition.

Please do not hesitate to contact us if any additional endorsement is required.
