Miles, would you please schedule us for february's meeting? I was not able to get the notifications out in time. I will bring in the updated architectural drawings this week, thank you.

Happy New Year

Hi Eliza,

Please see the following link to the agenda of Monday's meeting:

The link to join the meeting can be found on the agenda. Do you have the abutter mailing receipts? The Commission will need to know that the abutters have been notified per the regulations before the public hearing on your application can begin.
