Subject: Our Past Letter of Support for 280 BTLR LLC – Road Realignment

You don't often get email from david.rogers@gsb.columbia.edu. [Learn why this is important](#)
Dear Todd,

We understand that the public hearing by the Inland Wetlands Commission on the Road Realignment 280 BTLR LLC Proposal has been rescheduled to February 10.

Please remove from your packet of submissions all prior letters of support from us.

We've been in touch with Jeffrey Keenan, about our concern regarding the proposal and look forward to continuing the matter with him.

We are in touch with Jeffrey directly and hope to be able to support a revised proposal.

many thanks,
David Rogers and Karen Vrotsos
